Sir :

The below-named inventor hereby declares as follows:

1. This declaration is supplemental to the executed Reissue Declaration filed on April 1, 2004, the contents of which are expressly incorporated by reference herein in their entirety.
2. I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability, as defined in 37 C.F.R. §1.56.
3. Every error in the patent which was corrected in the present reissue application, and is not covered by the prior declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these

statements were made with the knowledge that willful false statements and the like are made punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that willful or false statements may jeopardize the validity of the application or any patent issuing thereon.
